LED SHOEBOX FLOOD

NOTICE

To reduce the risk of electrical shock, fire, or injury to persons; read and follow all warnings and installation instructions before installing.

To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or other sharp objects.

Do not alter, relocate, or remove wiring, lampholders, power supply, or any other component.

Any alteration or modification of this product is expressly forbidden as it may cause serious personal injury, death, property damage and/or product malfunction.

This luminaire is designed to operate in ambient temperatures ranging from -30°C to 50°C (-22°F -to 122°F) and to be horizontally mounted with the LEDs facing down in a 100-277V, 50-60Hz protected circuit and 90°C rated supply wire.

This product is not suitable for several special environments, such as places with corrosive gas liquids or high pressure water vapor.
